

MODERN LUXURY

HAMPTONS

An East Hampton farmhouse by Eastbay Builders

BLAZE MAKOID ARCHITECTURE

Creating luxury modern architecture in the most sought-after locales has been the mission of this firm since opening in 2001. Insider tip: Blaze Makoid was feted in the press in 2013 for the stunning way he met new flood elevation requirements for a structure in Sagaponack—making him a go-to resource on the subject. 7 Tradesmans Path, Ste. 4, Bridgehampton, 631.537.7277, blazemakoid-architecture.com

JAMES MERRELL ARCHITECTS

From modern box-frame masterpieces to porch-lined farmhouse-style abodes, James Merrell Architects is ready to fulfill any vision of the dream home. With luxe interior designs and stylish wood exterior finishes, this firm's work needs to be experienced in person to fully appreciate its beauty. 66 Main St., Sag Harbor, 631.725.9842, jamesmerrellarchitects.com

MARTIN ARCHITECTS

In partnership with 4MA, Martin Architects supplies every project with the best, from architect to builder to interior designer. The firm specializes in environmentally sensitive sites and has an extensive bank of resources to turn to for each client's specific needs. 2913 Montauk Highway, Ste. 405, Sagaponack, 631.613.6555, martinarchitects.com

PAMELA GLAZER ARCHITECT

Utilizing eco-friendly designs, Pamela Glazer showcases her innovative and aesthetically pleasing approach in all of her projects. The firm has designed both residential and commercial spaces, from homes to restaurants. 54 Eastway Drive, Southampton, 631.283.8898, pamelaglazer.com

ROBERT YOUNG ARCHITECTS

Thorough, creative investigation of the possibilities of each site is the foundation of every design from Robert Young Architects,

integrating aesthetics with geography and interior details. 212.687.6940, ryarch.com

W.A. SCLIGHT ARCHITECTS

Bill Sclight's team brings more than 30 years' experience of serving the Hamptons to every project. Smart, simple and elegant, the homes and commercial buildings the firm designs are crafted to express the lifestyles of modern families and individuals while adhering to high standards of sustainability and energy efficiency. 721 Seven Ponds Towd Road, Water Mill, 631.398.0293, wasclight.com

Builders/Developers

EASTBAY BUILDERS

Eastbay Builders has served the Hamptons, North Fork and Nassau County for over 40 years.
